2016 Annual Town Meeting Consent Agenda

The following Articles will be handled as a Consent Agenda. Just as we do with the Budgets, I will read through all of the Articles, if you wish to have a particular Article removed call out "hold" and I will remove the Article from the Consent Agenda. Otherwise we will take one vote on all of the Articles. The Votes will be recorded as a vote on each individual Articles.

I have chosen Articles that have either a No Action recommended Vote, articles which I anticipate will have no debate, or are housekeeping Articles that we pass each year in by a unanimous vote. All of the Articles require a majority vote.
